1. Summary of Policy or Program Changes for the Upcoming Year

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

Changes to our policies and/or programs have been based on changes in statutes and/or HUD regulations that have occurred in the past year. HUD mandated these. In addition, we have made the following significant discretionary changes:

- We increased our minimum rent for Public Housing and Section 8 to \$50.00
- We have added a clause to our lease stating in event a resident defaults in the performance of any obligation under the lease, the resident shall pay in addition to sums owed, the PHA's reasonable attorney's fees and other costs related to the enforcement of the obligation.
- List of barred parties has been removed from the lease attachments.
- Flat rents have been revised.

The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

A substantial deviation from the 5-year Plan occurs when the Board of Commissioners decides that it wants to change the mission statement, goals or objectives of the 5-year plan.

B. Significant Amendment or Modification to the Annual Plan:

Significant amendments or modifications to the Annual Plan are defined as discretionary changes in the plans or policies of the Housing Authority that fundamentally changes the plans of the agency and which require formal approval of the Board of Commissioners.

Component 10 (B) Required Attachment il070g03: Assessment of Voluntary Conversion

- a. The Housing Authority of the County of Cumberland consists of four developments, all subject to the Required Initial Assessment.
- b. The Housing Authority of the County of Cumberland did not have any developments exempt from the requirement.
- c. Assessments were made of each development.
- d. There were no developments deemed appropriate for conversion to identify.
- e. Supporting documents are on file at the PHA's administrative office.

As Executive Director, I hereby certify the each development's operations as public housing was reviewed, the implications of converting the public housing to tenant-based assistance was considered; and I concluded that conversion of the developments is inappropriate because removal of the development would not meet the necessary conditions for voluntary conversion described at 972.200©.

Brief statement of Progress in Meeting the Five-Year Plan Mission and Goals: Attachment il070v0h.

The Housing Authority is in full compliance with all applicable standards and regulations including government generally accepted accounting practices.

The Housing Authority of the County of Cumberland has succeeded in managing the public housing program in an effective and efficient manner thereby qualifying as at least a standard performer.

We are consistently working toward the objective of being a high performer. However with the rental market as it is, our vacancies continue to be a problem. At this time we still have 0 applications on hand and 5 vacancies and continue to advertise. Being a high performer with vacancies counting as they do may never be a reality.

The authority does not have a rent collection problem at this time.

Considering the demands on a small authority, the current staff is very efficient and we most definitely operate as a customer-friendly housing industry. Work orders are normally completed within 24 hours, which is a high quality maintenance service.

The maintenance staff are doing a very efficient job of meeting housing codes and doing preventative maintenance.

We have attempted to utilize our Section 8 program, however the need for the vouchers is just not here.

We have and will continue to work with our local agencies such as Department of Human Services to in order to provide the best and all services possible to our residents.
